Drain hole	1-3/4" (4.4 cm) D.
* Approximate measurements for comparison only.	
Included components:	
Cut-out template	1071333-7

Installation Notes

Install this product according to the installation guide.

A wall-mount faucet is recommended. When selecting a wall-mount faucet, ensure the spout will reach a minimum of 4" (10.2 cm) over the rim of the lavatory and the stream of water is directed toward the center of the lavatory basin.

The lavatory rests on a countertop. Consider height of product when planning the installation

NOTICE: The countertop manufacturer or cutter **must** use the cut-out template provided with the product, or a current one provided by the Kohler Co. (Call 1-800-4-KOHLER.) Kohler Co. is not responsible for cutout errors when the incorrect cut-out template is used.
